The "Last Word"
in Science Desks

From a letter from the head of the Science Department of a western college we take this paragraph relating to

Kewaunee Laboratory Furniture

"The furniture I believe is the last word in laboratory furnishings. It is substantial, serviceable, excellent in appearance and in every way highly satisfactory."

What more could one ask? Because of our line of over five hundred standardized designs, it is seldom necessary to build special equipment, if you choose Kewaunee. You will find that we have already met nearly every possible laboratory need with a standard desk, table, bench or sink.

Write for a copy of the Kewaunee Book and ask for details of our Free Engineering Service. Address all inquiries to the factory at Kewaunee.
