School of Medicine

NEW ADMISSION REQUIREMENTS
At least three years of approved college work including specified requirements in the sciences.

DEGREE OF B.S. IN MEDICAL SCIENCE
This degree may be awarded at the end of the third or fourth year to students fulfilling certain conditions including the preparation of a thesis.

DEGREE OF DOCTOR OF MEDICINE
Upon satisfactory completion of prescribed four-year course.

For catalogue and information, address
THE DEAN, Washington University School of Medicine, St. Louis, Missouri

Johns Hopkins University
SCHOOL OF MEDICINE

The School of Medicine is an Integral Part of the University and is in the Closest Affiliation with the Johns Hopkins Hospital.

COURSES FOR GRADUATES
In addition to offering instruction to students enrolled as candidates for the degree of Doctor of Medicine, the School also offers Courses for Graduates in Medicine. In each of the clinical departments opportunity for advanced instruction will be offered to a small number of physicians, who must satisfy the head of the department in which they desire to study that they are likely to profit by it.

Students will not be accepted for a period shorter than three academic quarters of eight weeks each, and it is desirable that four quarters of instruction be taken. The courses are not planned for purposes of review but for broad preparation in one of the lines of medical practice or research. The opportunities offered will consist in clinical work in the dispensary, ward-rounds, laboratory training, and special clinical studies.

The academic year begins the Tuesday nearest October 1 (October 4, 1927), and students may be admitted at the beginning of any academic quarter. The charge for tuition is $300 a quarter, payable in advance.

Inquiries should be addressed to the Executive Secretary of the School of Medicine, Johns Hopkins University, Washington and Monument Streets, Baltimore, Maryland.

School of Tropical Medicine
of the
University of Porto Rico
under the auspices of
COLUMBIA UNIVERSITY

San Juan, P. R.

An institution for the study of tropical diseases and their prevention.

New building containing well equipped laboratories and library. Clinical facilities in general and special hospitals. Field work in cooperation with Insular Department of Health.

Courses in bacteriology, mycology, parasitology, pathology, food chemistry, public health and transmissible diseases, open to graduates in medicine and others having equivalent preparation. Number of students limited.

First term of second session begins Oct. 1, 1927; second term, Feb. 1, 1928. Special students and investigators admitted at other times as space and circumstances permit. In all cases arrangement in advance is advised.

For further information apply to
Director
School of Tropical Medicine
San Juan, Porto Rico.
Marine Biological Laboratory
Woods Hole, Mass.

INVESTIGATION
Entire Year
three months. Fifty-six tables are available for beginners in research who desire to work under the direction of members of the staff. The fee for such a table is $50.00.

INSTRUCTION
June 28 to August 8, 1927
Courses of laboratory instruction with lectures are offered in Invertebrate Zoology, Protozoology, Embryology, Physiology, and Morphology and Taxonomy of the algae. Each course requires the full time of the student. Fee, $75.00.

SUPPLY DEPARTMENT
Open the Entire Year

BIOLOGICAL SUPPLIES
For the classroom, museum or collector.
First class preparations. Send for new (1926) Catalogue No. 1. Zoological and Embryological material, Life Histories and Habitat Groups.
Catalogue No. 2, Botanical material.
Catalogue No. 3, Microscopic slides.
Address all correspondence regarding material and catalogues to:
Supply Department,
GEO. M. GRAY,
Curator, Woods Hole, Mass.
The annual announcement will be sent on application to The Director, Marine Biological Laboratory, Woods Hole, Mass.

The Biological Laboratory
Cold Spring Harbor, Long Island, N. Y.

Investigation
Facilities for research in Physiology, Protozoology, Embryology and other branches of Zoology, and Botany. Fee for private room $75.
Special equipment for mammalian work. Opportunities for beginning investigators. Fee $50.

Instruction
Six weeks, June 25th to August 9th. Courses in Field Zoology, Physiology, Experimental Surgery, Endocrinology, Field Botany and Plant Ecology. Tuition $75.
Situated in a region rich in marine, fresh water, woodland and meadow life. One hour from the center of New York City. For information, address the Biological Laboratory, Cold Spring Harbor, Long Island, N. Y.

LIVING BULLFROGS
Safe delivery guaranteed
We are just recovering from the acute shortage due to the unprecedented droughts of 1924 and 1925. Be sure to reserve your next year's supply while in season, March, April or May. Correspondence solicited.
Also headquarters for living and preserved specimens of all types, microscopic slides, life histories, demonstrations, insect collections. We specialize in many important southern species not obtainable elsewhere.
All material guaranteed without reservations. Southern Biological Supply Co., Inc., Natural History Building, New Orleans, La.

Access to Four Waters

Bathing

THE HARRINGTON HOUSE — Bailey’s Bay, Bermuda

An ideal location for those engaged in research and biology.
A large room can be provided for laboratory purposes with running salt and fresh water.

Special rates given to groups of ten of those who wish to accomplish research
for the Average Chemical Laboratory
at a very moderate price

In this No. 851 will be found a Chemical Desk that ideally serves all the needs of the average school chemical laboratory, yet at a very moderate price.

In it is embodied all the essential features of more elaborate and expensive desks. The general arrangement of drawers, plumbing, etc., follows closely along the lines that have proven most serviceable. It accommodates sixteen students, working in sections of eight.

Kewaunee
Laboratory Furniture

The past few years have witnessed a wonderful transformation in the science equipment of the educational institutions of America.

Every science teacher knows the importance of properly designed, properly built laboratory furniture, and how much influence it exerts upon the character of work of the students.

Kewaunee has produced a line of Laboratory Furniture that has never been approached as a manufacturing product or an educational adjunct.

A copy of our Laboratory Book is free. Address all inquiries to the factory at Kewaunee.
