PRELIMINARY ANNOUNCEMENT OF
THE SECOND NASHVILLE MEET-
ING OF THE AMERICAN ASSOCIA-
TION FOR THE ADVANCEMENT
OF SCIENCE AND ASSOCI-
ATED SOCIETIES

THE ANNOUNCEMENT AND THE GENERAL
PROGRAM

This special issue of Science is sent to all mem-
ers of the American Association, whether they
regularly receive this journal or The Scientific
Monthly. It contains general and specific informa-

Those planning to attend the second Nashville
meeting should arrange for lodging accommoda-
tions at once. The meeting is to open on Monday
evening, December 26. A list of hotel and dormi-
tory accommodations that will be available for
this meeting, including information as to prices
and showing the lodging headquarters for many
of the sciences, appears in this issue of Science.
See also the section on Organizations and that
on Sessions of the Sections, in this issue.

All who are to present papers at Nashville,
whether association members or not, should send
their manuscripts to the permanent secretary's
office (Smithsonian Institution Building, Wash-
ington, D. C.) as soon as possible. A second copy
of each paper should be sent to Science Service
(21st and B Sta., Washington, D. C.) and a third
copy to the society or section secretary in whose
program the paper is to be presented.

When purchasing the railway ticket to Nashville
each purchaser should secure from the railway
ticket agent a certificate for the meeting of the
American Association for the Advancement of
Science and Associated Societies. See the section
on Railway Transportation, this issue of Science.

Life members of the association and annual
members who have paid their dues for the current
year should bring with them to Nashville their
blue membership cards, which identify them as in
good standing for the association year 1927–28.
