THE WESTON FELLOWSHIP in ELECTROCHEMISTRY

The Fellowship of $1000 is open to candidates who have completed an undergraduate course in some college, university, or technical institution, and have received a degree of such institution.

The candidate must be under the age of thirty years at the time of the award of the Fellowship.

The award will be made without distinction on account of sex, citizenship, race, or residence.

Announcement of the award of the 1932-33 Fellowship will be made at the Baltimore Meeting, April 23, 1932. Weston Fellowship Committee: Lincoln T. Work, Chairman, J. Watson Bain, and S. C. Lind.

The successful candidate, upon receipt of notification of the award, shall undertake an investigation, the subject of which shall be approved by the Board of Directors, at any institution of learning either in the United States or abroad that may be approved by the Board of Directors.

Application shall be made through the Secretary of the Electrochemical Society on blanks furnished by him.

Applicants for the Weston Fellowship in Electrochemistry ($1000) for the university term 1932-33 are urged to mail their applications as early as possible. They must reach the Secretary's office on or before March 1st, 1932.

SPECIAL COURSE IN TROPICAL MEDICINE at
TULANE UNIVERSITY OF LOUISIANA

This course begins March 1, 1932, and runs for a period of three months. It is intended for public health officers who are graduates of medicine, physicians who intend to practice in the tropics, medical missionaries, physicians especially interested in the diseases of warm climates and in human parasitology, and for selected senior medical students from other schools who are granted permission by their schools to take this course as an elective in place of the elective or other work in the last trimester at such schools.

For bulletin or further information, address the Dean, School of Medicine, Tulane University of Louisiana, 1430 Tulane Avenue, New Orleans, Louisiana.
