VERSITY Chemical
or Biological depart-
ment. Ask for It.

WANTED
A NEW PHARMACEUTICAL PRODUCT

which can be offered to the medical
profession. If you are engaged in re-
search on a meritorious product of this
nature, or if you have an idea for such
a product, we are in a position to ar-
range for its development and promo-
tion by our client, a large manufacturer
of ethical products. Please submit
sufficient information for critical eval-
uation of your product or idea to

BERTRAM FEUER AND
ASSOCIATES
612 North Michigan Avenue
Chicago, Illinois

"APIEZON"

Oils, Greases and Waxes
have exceedingly low vapor pressures—from 10⁻³
to 10⁻⁶ mm. of Hg. at room temp. They provide
(1) non-poisonous liquids for diffusion vacuum
pumps, and (2) sealing media for high vacuum
systems,—without the use of freezing traps.
Write for Bulletin 1385-S.
