With thirty-two Illustrations and a Map. 12m, $1.50.

"This is a sprightly narrative of personal inci-
dent. The book will be a pleasant reminder to
many of rough experiences on a frontier which
is rapidly receding." Boston Transcript.

The picture of our desolate North-western terri-
tory twenty-five years ago, in contrast with its
civilized aspect to-day, and the pleasant features
of the writer's style, constitute the claims of his
little book to present attention." -The Dial.

K. D. C. Hodges, 874 Broadway, N. Y.
