MACMILLAN & CO., 66 Fifth Avenue, New York.
THE WINNIPEG COUNTRY;
OR,
ROUGHING IT WITH AN ECLIPSE PARTY.
BY
A. ROCHESTER FELLOW.
(S. R. SCIENTIFIC.)
With thirty-two Illustrations and a Map.
12th. $1.50.

"This is a spirited narrative of personal inci-
dent. The book will be a pleasant reminder to
many of rough experiences on a frontier which
is rapidly receding."-Boston Transcript.

The picture of our delectable North-western terri-
tory twenty-five years ago, in contrast with its
civilized aspect to-day, and the pleasant features of
the writer's style, constitute the claims of his little
book to present attention."-The Dial.

N. D. C. HODGES, 874 Broadway, N. Y.

QUERY.

Can any reader of Science cite a case of lightning stroke in
which the dissipation of a small conductor (one-sixteenth of an
inch in diameter, say,) has failed to protect between two horizontal
planes passing through its upper and lower ends respectively?

Plenty of cases have been found which show that when the
conductor is dissipated the building is not injured to the extent
explained (for many of these see volumes of Philosophical Trans-
actions at the time when lightning was attracting the attention
of the Royal Society), but not an exception is yet known, al-
though this query has been published far and wide among elec-
tricians.

First inserted June 19, 1891. No re-

ONSEN TO DATE.

5 Somerset St., Boston, Mass.
FOSSIL RESINS.

This book is the result of an attempt to collect the scattered notices of fossil resins, exclusive of those on amber. The work is of interest also on account of descriptions given of the insects found embedded in these long-preserved exudations from early vegetation.

By CLARENCE LOWN and HENRY BOOTH.

12mo. $1.

N. D. C. HODGES, 874 Broadway, N. Y.

SOFTLY STEALS THE LIGHT OF DAY when filtered through windows covered with CRYSOCRPHS, a substitute for stained glass that is inexpensive, beautiful, and easily applied.

20c. per square foot. Samples and catalogue, 10c.

CRYSOCRPH CO.,
216 North Broad St., Philadelphia.

RESTORE YOUR EYESIGHT.

Cataracts, scars or films can be abraded and polished away without the use of drugs.

Every reader of "Science" should subscribe for

AMERICAN ARCHITECT,
