Advertised Books of Reference.

THE BUTTERFLIES OF THE EASTERN UNITED STATES. For the use of classes in zoology and private students. By G. H. French, A.M. Illustrated by 93 engravings and a map of the territory represented. Large 12mo. Cloth. $3.00.

MAMMALS OF THE ADIRODACKS. By Dr. C. Hart Merriam. Contains an introductory chapter treating of the location and boundaries of the region, its geographical history, topography, climate, general features, botany, and faunal position. Each work consists, in the first place, of a general account of the prominent features of the Adirondack region; and secondly, a descriptive account of the habits of the animals found within its confines. Imp. 8vo. $3.50. Henry Holt & Co., New York.

INSTRUCTION FOR THE DETERMINATION OF ROCK-FORMING MINERALS. By Dr. Eugen Hussak, Privat Doceat in the University of Graz. Translated from the German by Erastus G. Smith, Professor of Chemistry and Mineralogy at Adirondack College. With 103 plates, 8vo., cloth. $3.00. John Wiley & Sons, Publs., Astor Place, New York.

ANNALS OF MATHEMATICS. Edited by Ormond Stone and William M. Thornton. Office of Publication: University of Virginia. $2 per vol. of 6 nos.

SCRIBNER'S STATISTICAL ATLAS OF THE UNITED STATES: Showing by Graphic Methods their Present Condition, and their Political, Social, and Industrial Development, as Determined by the Reports of the Tenth Census, the Bureau of Statistics, the Commissioner of Education, State Officials, and other Authoritative Sources. 250 Pages Text, 151 plates (37 double), 279 Maps (22 folio). 960 Charts and Diagrams. Sold only by Subscription. Descriptive circular sent on application. Charles Scribner's Sons, Publs., and 745 Broadway, New York.

SPECIAL NOTICE.

The publishers of SCIENCE have procured a few copies of the magnificent work on 'ORCHIDS,' published by Lee & Shepard in '83. It is handsomely gotten up, with illustrations from nature by Harriet Stewart Miner, comprising 24 magnificent specimens in colors each 10x14 inches. The book is over 14 inches in length, 11 inches wide, 1½ inches in thickness; gilt edges, bevel covers, and richly adorned in black and gold, and bound in beautiful gold, silver, or bronze cloth, making a sumptuous book. Gold cloth, full gilt, $10.00—a reduction of one-third from the publishers' price.

As the number of copies is very limited, purchasers do well to order promptly.

ADDRESS SCIENCE COMPANY,

47 Lafayette Place, New York.

TILESTON & HOLLINGSWORTH,

64 Federal Street, Boston.

Manufacturers of Fine Book Papers for letter press and cut printing. The attention of publishers and printers is called to our Ivory Finish (no gloss) paper. Press Comments on "German Simplified."

"All explanations are given in an admirably simple and direct manner, and the skill with which the work is graduated from the less to the more difficult exercises cannot be too highly praised."—Chicago School Herald.

"The simplicity of method is admirable. It justifies the title."—Norristown Herald.

"Nothing better has yet appeared for the purpose for which this publication is intended."—Chicago Inter Ocean.

"The result of years of study and successful teaching of the German language."—New England Journal of Education.

"These books contain a wealth of knowledge for self-instruction in this beautiful language."—Albany Union.

The author's exposition of principles is clear and most concise, and his arrangement admirable."—Chicago Current.

"It has the fascination of a novel, with the value of a grammar; is concise, complete, clear, and methodical, withal the best work of the kind extant."—Washington (Pa.) Reporter.

"Charmingly simple and perspicuous in style."—Lowell Times.

"We do not hesitate to call it one of the best methods for self-instruction; but it commends itself equally well to teachers."—Davenport Democrat (German).

"None of the extant systems so simplify and minimize the task of the learners."—St. Paul Pioneer Press.

"Admirable for its very simplicity and naturalness. No person with an earnest, intelligent purpose can fail of obtaining the most satisfactory results."—Winona Republican.

"We can recommend it as one of the best of its kind."—Indianapolis Star.

"Whoever studies these numbers earnestly and attentively will be able to converse on any ordinary subject, and travel through Germany without needing an interpreter."—Wisconsin Telegraph and Dwight.

"An excellent book for Americans who wish to make rapid progress in learning German. We can recommend it most cordially."—Burlington (La.) Tribune (German).

"The very best of its class. Send for it and be convinced."—Baltimore Methodist Protestant.

"An excellent system,"—San Francisco Argonaut.

"Ingenious and serviceable. The treatment of the pronunciation is especially good."—Overland Monthly.

"The rules and explanations are remarkably clear."—San Francisco Chronicle.

"It bears evidence of a master hand, and will be found a great help to students of the German language."—Central School Journal.

"The practical features of the work, and its constant effort to make every step clear to the student, entitle it to the consideration of all desiring to acquire rapidly a working knowledge of the language."—Cincinnati Commercial Gazette.

"If it be possible to acquire a foreign language without the expense of a teacher, it certainly may be acquired by this method."—Missouri Republican.

"The system is so clear and perfect that those who have but an ordinary English education may readily grasp the professor's ideas."—Toronto Mail.

"The most concise and lucid explanation of the principles of the German language which has yet appeared."—Nashua Gazette.

"We can cordially recommend this course of home study to our readers."—Brattleboro Household.

"To any one desiring to learn the German language with as little hard work and study as possible, this publication will be a welcome friend."—American Canadian, Dawson & Co.

"If its teachings are carried out, students may in a few months acquire a practical knowledge that will be of real service to them in business, reading, or travel."—Providence Journal.

"One of the best text-books for all intending students of the German language."—Washington Times.

"The author has so simplified his subject as to make it instantly inviting."—Wilkes-Barre Record.

"A great aid to those who wish to study the language without a teacher's instruction and admirably adapted for use in the school-room."—Windham County (Vt.) Reformer.

A Practical Work.

German Simplified.

A CONCISE AND LUCID EXPLANATION OF THE PRINCIPLES OF THE GERMAN LANGUAGE, ACCOMPANIED BY NUMEROUS EXAMPLES AND EXERCISES, AND FORMING A COMPLETE COURSE OF INSTRUCTION FOR THE PURPOSES OF READING, BUSINESS, AND TRAVEL.

Published in two editions:

1. For self-instruction, in twelve pamphlets or numbers, each containing a Key to the last preceding one; price ten cents a number, or $1.25 a set.

Both editions are sold by all booksellers, or will be sent, post-paid, on receipt of price, by PROF. A. KNOPFLACH, 140 Nassau St. (P. O. Box. 1550), NEW YORK.
