GENERAL OFFICES:
1210 LEON PLACE
EVANSTON, ILLINOIS

Simply whirl tab closed, unfold to open.

Because they mean a lot to you, they mean a lot to us. That's why S/P maintains 16 distribution centers, offers more than 30,000 items. For example—sterile, ready-to-use, polyethylene Whirl-Pak Bags with pull-tab closures. They hold liquid, solid or granular samples safely and conveniently, discard after use. They can mean a lot in your laboratory.

S/P Whirl-Pak Bags

No.	Dimensions	Each	Pkg. of 500
B1205-6X	7 1/4" x 3"	3¢	\$15.00
B1205-18X	9" x 4 1/2"	4¢	20.00

Send for your free copy of the S/P 1965 catalog of plastics and disposables.

POSITIONS WANTED

Anatomist Ph.D. Teaching experience gross and microscopic anatomy, research interest neuro-anatomy, papers, societies, seeks academic position. Box 281, SCIENCE. 11/19, 11/26, 12/3

Biochemist, Ph.D. Professorial Status. Considerable teaching experience in general, medical biochemistry. Nucleic acid research, grants, publications. Desires academic position in college, university department biology, chemistry, biochemistry. Box 280, SCIENCE. X

Creative Scientist, Ph.D., interested in challenging administrative post. Box 279, SCIENCE. 11/19

Experienced Researcher and Teacher. 45-year-old M.D. seeks position in or near university to establish and lead small group in research and teaching of comparative behavior (animal and man) and the effects of drugs on behavior. Write Woodward Medical Personnel Bureau, 185 North Wabash, Chicago 60601. 11/19, 11/26

(a) **Human Genetics, Ph.D. 1965;** seeks research or academic position. (b) **Biochemist Ph.D.;** Immunology minor; toxic compound actions, communicable disease experience; available for research or clinical appointment. Write Woodward Medical Personnel Bureau, 185 North Wabash, Chicago 60601. X

Library Science Teacher or College Librarian. Stimulating teacher with broad background in administration, publications, and library science teaching. Family. Prefer Midwest or West. Box 284, SCIENCE. 11/19

Microbiologist-Biochemist, Ph.D. 1955, industrial, academic experience, wide background, biochemical aspects pathogenicity, fermentation, general microbiology, antibiotics, microbial biochemistry, chemotherapy. Desires academic research/teaching, industry. Box 282, SCIENCE. 11/19

Pharmacologist, Ph.D. Physiology, microbiology minors, publications. Seek teaching/research position. Box 277, SCIENCE. 11/19

Pharmacologist, Ph.D., academic and industrial experience in radiobiology and toxicology seeks position. Box 285, SCIENCE. X

(a) **Ph.D. Biochemist** (bacteriology, pharmacology minors); experienced in molecular biology, nucleic acids; publications; desires academic assignment. (b) **Ph.D. Zoologist;** research experience; prefers chemical oceanography research/earth sciences, marine biology teaching. (c) **M.S. Microbiology-Immunology,** biological production, control, R&D experience; seeks management level opportunity. Please write to SCIENCE SERVICE, The Medical Bureau, Inc., 900 North Michigan Avenue, Chicago, Illinois 60611. X

Ph.D. Endocrinology/Reproductive Physiology, September 1965; veterinary pathology and medicine minors; veterinarian; 6 years of predoctoral research/teaching experience. Seeks academic/company position. Box 275, SCIENCE. X

Ph.D. Chemist desires administrative position. Academic teaching, research, administrative and industrial experience. Box 283, SCIENCE. X

Ph.D. Immunogenetics, seeks research/teaching or industrial position or postdoctoral appointment. Box 276, SCIENCE. X

RESEARCH EXPANSION

PARKE, DAVIS & COMPANY

Many new career opportunities have been created at Parke, Davis & Company's laboratories in ANN ARBOR and DETROIT, MICHIGAN, as a result of its successful long-range research programs.

■ These programs—in CHEMISTRY, PHARMACOLOGY, MICROBIOLOGY and PRODUCT DEVELOPMENT—have been key factors in the continued growth of this world-wide company. For almost 100 years Parke-Davis has dedicated itself to providing better medicines for a better world.

■ Positions currently are open in many scientific disciplines at all degree levels. Examples of some specific openings include:

BIOCHEMIST
VIROLOGIST
ELECTRON
MICROSCOPIST

PROTEIN CHEMIST
PHARMACIST
NATURAL PRODUCTS
CHEMIST

CARDIOVASCULAR PHARMACOLOGIST

(Physiologist)

NEUROPHYSIOLOGIST

(Pharmacologist)

Resume and other pertinent information should be sent to:
