## Call for Electorate Nominations

The 21 AAAS Electorate Nominating Committees invite members to submit nominations for offices to be filled in next fall's election.

Each Electorate, which consists of the voting members of a Section, annually elects a section chairperson-elect, one member-at-large of the Section Committee, and two members of the Electorate Nominating Committee. In addition, at 3-year intervals, it elects one or more delegates to the Council, the Association's policy-making body. In 1977, Council delegates will be elected by Electorates Q—Education, R—Dentistry, S—Pharmaceutical Sciences, T—Information, Computing, and Communication, U—Statistics, W—Atmospheric and Hydro-spheric Sciences, and X—General.

Nominations should be mailed *no later than 15 January 1977* to the Executive Office, AAAS, 1776 Massachusetts Avenue, NW, Washington, D.C. 20036, for immediate transmission (receipt cannot be acknowledged) to the appropriate Nominating Committees. The final selection of candidates remains the responsibility of those committees.

An acceptable nomination consists of a one-page curriculum vitae. The nominee's voting section, the office for which he or she is proposed, and the nominator's name must be typed in at the top of the page. Members may submit nominations for any or all of the positions to be filled in their Electorates.

Listed below are the chairpersons, chairpersons-elect, members-at-large, and nominating committee members for each Electorate and the Council delegates for Electorates Q, R, S, T, U, W, and X as of 1 January 1977. The names of those who are to be replaced in the 1977 Electorate elections are printed in italics. (On 1 January 1978, the section chairpersons retire and are succeeded by the section chairpersons-elect.)

Retiring members of Electorate Nominating Committees are not eligible for renomination.
