

4th R&D Colloquium

Washington 19-20 June 1979

The fourth AAAS R&D Policy Colloquium will be held on Tuesday and Wednesday, 19 and 20 June 1979 at the MAYFLOWER HOTEL, 1127 Connecticut Ave., NW, Washington, DC 20036. [Although commercial parking is available in the vicinity of the Mayflower, the Hotel is a short walk from the Farragut North (Red Line) and Farragut West (Blue Line—connecting to National Airport) Metro stops.]

AAAS Colloquium (19-20 June) Advance Registration—enclosed is:

- \$85** Full Registration (includes lunch on both days, dinner on Tuesday, the R&D: FY 80 Report, and the Colloquium Proceedings)
- \$48** Partial Registration (includes Report and Proceedings only)
- \$25** Student Registration (includes Report and Proceedings only; available to full-time graduate or undergraduate students only)

Separate Meal Tickets (lunches at \$12 and dinner at \$17):

- Lunch on Tues., 19th; Dinner on Tues., 19th; Lunch on Wed., 20th

Previous Reports and Proceedings (at \$5 each):

- R&D FY 79; R&D: FY 78; R&D: FY 77
- Proc. 78 Col.; Proc. 77 Col.; Proc. 76 Col.

Program, badge, meal tickets, and R&D: FY 80 Report will be sent about 8 June. Registrations received after 8 June will be held at the AAAS Registration Desk at the Mayflower Hotel. Previous reports ordered will be sent as soon as possible. Proceedings of 79 Colloquium will be sent as soon as available.

Registrant's Name _____ (last name) (first and initial)

Affiliation _____

Address _____ (street and number)

(city)

(state and zip)

(telephone number)

- Please check here if you need special services due to handicap. We will contact you prior to the meeting.

TIAA-CREF Supplemental Retirement Annuities

for tax-deferred annuity programs

Supplemental Retirement Annuities (SRA's) are new forms of TIAA and CREF contracts designed expressly for use by persons who want to set aside tax-deferred retirement funds over and above amounts being accumulated under their institution's basic retirement plan. They are available for employees of colleges, universities, private schools and certain other nonprofit educational organizations with tax-deferred annuity (salary-or-annuity option) programs. Through a properly drawn agreement with their institution, staff members may divert part of their compensation before taxes to the purchase of these new contracts.

And SRA's are cashable at any time. This means that if the money accumulated by salary reduction is needed before retirement, the SRA contracts can be surrendered for their cash value. Benefits, whether payable in cash or as income, are taxable as ordinary income when received.

For more information and answers to questions send for your copy of the booklet on Supplemental Retirement Annuities.

Send me a booklet describing
TIAA-CREF Supplemental Retirement Annuities.

THE ENERGY GAME!

We all have to play—
but can anyone win?

The energy game is a highly competitive, very expensive gamble. Nature supplies the basic resources, but technology determines their uses. Societies demand more and more; national economies may falter; governments may topple. Is there a technological fix?

ENERGY: Who is going to win the game?

No one can predict the outcome of the game, but two publications from AAAS can help you understand the ground rules and introduce you to the players.

Energy: Use, Conservation and Supply

(Volume II—1978)

An all-new Energy Compendium published by AAAS. ENERGY-II contains a completely new set of articles dealing with energy conservation and public policy, our remaining supply of fossil fuels, the possible transition to fission, fusion, and/or solar technologies, and an extensive analysis of the present domestic and international energy-use patterns. Available now.

***Retail price:**

\$14.00 (casebound)
6.00 (paperbound)

(Volume I—1974)

Published in 1974, ENERGY-I gives the reader a historical and general overview of our energy problem and examines ways to conserve energy and use it more efficiently, not only in industry but on an individual level. The book examines the problems we face in supplying the energy requirements for food production and reviews known energy sources in relation to current and future energy needs. Available now.

***Retail price:**

\$10.00 (casebound)
3.50 (paperbound)

**Special Combination Price for both
Energy Volume I & Volume II**

***Retail price:**

\$22.00 (casebound)
8.00 (paperbound)

.....
Since you, too, have to play . . . order your copies now and learn the rules.

Send your name, address, and list of titles to

AAAS
Department E-1
1515 Massachusetts Avenue, NW
Washington, DC 20005

***AAAS members: Deduct 10% of retail price for each book or for set.**

Remittance must accompany all orders under \$10.00. Please allow 6-8 weeks for delivery.

A new 12 times faster film for autoradiography

Autoradiogram of a mouse given a tritium-labelled substance. Upper part exposed to LKB Ultrafilm ³H, lower part a traditional X-ray film (single X-RT).

The new high speed LKB Ultrafilm ³H lets you Autoradiograph tritium-labelled substances directly.

- 12-64 times more sensitive to tritium and other low-energy beta-emitters than most conventional X-ray films.
- Tailor-made for rapid registration of tritium-labelled substances in Autoradiography in:
 - Tissue sections up to the size of whole animals
 - Thin layer electrophoresis and electrofocusing techniques in polyacrylamide and agarose gels
 - Thin layer chromatography in general and paper electrophoresis
- LKB Ultrafilm ³H has also been found to be of great advantage in the autoradiographic registration of low energy isotopes such as ¹²⁵I.

- Clear, non-coloured backing makes it extremely convenient for photocopying, for making enlargements and for direct display in overhead projectors.
- LKB Ultrafilm ³H now, for the first time, makes tritium-labelling even more attractive than the conventional ¹⁴C (carbon 14) labelling and it can significantly reduce costs for labelled compounds.

Ordering information

LKB 2208-190	Ultrafilm ³ H	10 sheets	24 cm × 30 cm
LKB 2208-191	Ultrafilm ³ H	25 sheets	24 cm × 30 cm
LKB 2208-192	Ultrafilm ³ H	10 sheets	35 cm × 43 cm
LKB 2208-193	Ultrafilm ³ H	25 sheets	35 cm × 43 cm

If you would like more information on LKB Ultrafilm ³H, please send for data sheet 2208-190.

Did you miss us in Houston?

Listen!

We taped many sessions covering a wide variety of topics at the 1977 AAAS Annual Meeting in Denver, and we did it again for Washington in 1978 and Houston in 1979.

If you were not able to attend the meeting, or a particular session, get a complete list of all available tapes, from 1976 through 1979, by writing to

AAAS Cassettes

c/o Eastern Audio Associates
9505 Berger Road
Columbia, MD 21046

(All titles include program abstracts)

For a complete catalog listing all AAAS products, please write to
