

Personnel Placement

SCIENCE publishes each Friday, except the last Friday of the year. Advertising is accepted only in writing; no abbreviations. Any deadline in ad must be at least 2 weeks after date of issue in which ad appears. Also, personnel advertising is accepted only with the understanding that the advertiser does not discriminate among applicants on the basis of race, sex, religion, age, color, national origin, handicap, or sexual preference.

LINE CLASSIFIED ADVERTISING DEADLINES:
28 November issue (mailed 21 November): **7 November**
5 December issue (mailed 28 November): **14 November**
12 December issue (mailed 5 December): **20 November**
19 December issue (mailed 12 December): **26 November**

POSITIONS WANTED: 40¢ per word, plus \$4 for use of box number, per week. \$10 minimum, per week. Prepayment required. This rate is available only to individuals seeking jobs.

LINE DISPLAY (POSITIONS OPEN, COURSES, FELLOWSHIPS, MARKETPLACE, and so forth): \$13.00 per millimeter, \$325 minimum, per week (minimum charge covers 25 millimeters on a single column; 25 millimeters equals 10 lines of 50 spaces per line). No charge for use of box number. No agency commission for ads less than 103 millimeters (4 inches). No cash discount. Prepayment required for all foreign ads. Purchase orders and billing address required for all other advertising.

Send copy for all **Positions Wanted** ads and **Line Display** ads less than 1/6 page in size (125 millimeters) to:

POSITIONS WANTED

British Acarologist with a Ph.D. from the Department of Medical Entomology, London School of Hygiene and Tropical Medicine, London University (1979) with many publications on the ultrastructure of soft and hard tick internal organs and good background in entomology and EM techniques is seeking a job starting from August/September 1987. Send for curriculum vitae from: Dr. M. Samir, Sciences and Mathematics Center, Makkah P.O. Box 2064, Kingdom of Saudi Arabia. Box 192, SCIENCE. 11/7, 21

Biochemist/Cell Biologist, Ph.D. Experience in angiogenesis-related growth factor control of cell proliferation (one parent) and connective tissue research and development. Publications in both areas. Seeks industrial or academic position, research, or administration, with East Coast location. Box 194, SCIENCE. 11/7, 14, 21

Cell Biologist/Microbiologist (Ph.D.) Ten years of teaching and research experience at excellent university. Presently employed in research institute doing basic cell biology. Well-informed and current in modern biology with an appreciation and interest in most facets of biology. Prior teaching experience: cell biology, molecular biology, biochemistry, microbiology, and virology. Eager to return to teaching or teaching/research position where quality teaching is valued. Box 180, SCIENCE. X

Pharmacologist, Ph.D. 1982. Research assistant professor. Interested in the role of mediators in inflammation and immunology and the action of anti-inflammatory, anti-rheumatic drugs, and immunomodulators. Experienced in animal models, cell culture, histology, HPLC, and immunoassays. Seeks an academic research position. Box 193, SCIENCE. X

POSITIONS WANTED

Light/Electron Microscopist. More than 15 years of experience in histology, SEM and LEM, including DNA spreading and ultrathin sectioning; excellent references. Seeks position in Boston area for 1987. Box 186, SCIENCE. 11/7, 14, 21

Retrovirologist Ph.D. AIDS researcher with publications and teaching experience. Cell biologist with some molecular biology experience. Innovative scientist experienced in laboratory management, cell-virus culture, serology, viral proteins, Southern blot analysis, and antiviral agents. Seeks academic/industrial research position. Box 189, SCIENCE. X

Symbiologist, frontiersperson, regeneration technophile seeks position in forward-looking, regeneration-oriented industry, agency, or academic department. Strong interest in uses of sustainable biological processes for resource management. Currently U.S. Department of Agriculture postdoctoral fellow studying *N₂-fixing actinomycetes (Frankia)* from root nodules of actinorhizal plants. Former professor, taught general and pathogenic microbiology, immunology, and general biology for 10 years. Available August 1987. Box 195, SCIENCE. 11/7, 14, 21, 28

Zoologist/Anatomist, Ph.D. Broad background; experienced, innovative teacher; some administrative experience. Preference: small college teaching. Box 187, SCIENCE. 11/7, 14

POSITIONS OPEN

ANALYTICAL BIOCHEMIST/CHEMIST

A tenure-track, assistant professor position (or other levels) is available immediately. Candidate must have the ability to develop research in an area of transmitter neurochemistry, collaborate on ongoing psychopharmacologic studies in the laboratory, and develop/supervise/carry out psychoactive drug measurements in clinical samples.

Send curriculum vitae, names, and addresses of three references to: Joan Gill, Department of Psychiatry, Medical College of Pennsylvania/EPPH, 3200 Henry Avenue, Philadelphia, PA 19129.

ANATOMY FACULTY POSITION

Ph.D. or equivalent. Anatomist to teach neuroanatomy and assist in teaching gross anatomy to first-year medical students. Primary interest should be in developing teaching excellence. Development of a research program with eventual independent funding is encouraged. Research interests are open. Salary commensurate with qualifications and rank. Send curriculum vitae and three references by 5 December 1986 to:

Dr. Tage Kvist
Assistant Dean for Basic Sciences
Department of Anatomy
Philadelphia College of Osteopathic Medicine
(PCOM)
4150 City Avenue
Philadelphia, PA 19131

Starting date as early as 1 January 1987. PCOM is an Equal Opportunity Employer.

ASSISTANT DIRECTOR—The Mount Desert Island Biological Laboratory (MDIBL). Duties include: management of day-to-day operations, budget preparation and oversight, public relations, acquisition and management of external grants and gifts, and assist in the administration of the Laboratory's toxicology center. Experience in research administration and knowledge of microcomputers essential. M.S. in biological sciences required, Ph.D. preferred. Salary \$25,000 to \$35,000, depending on experience. Applications should include résumé and names and telephone numbers of three references. The position is available immediately; applications will be accepted until the position is filled. The MDIBL is a nonprofit research institute which emphasizes the use of marine organisms as tools for basic and applied biological research. Contact: Dr. David H. Evans; telephone: 904-392-1489, or Dr. David L. Wynnes; telephone: 207-288-3605, or write: Assistant Director Search, MDIBL, Salsbury Cove, ME 04672. Equal Opportunity Employer.

POSITIONS OPEN

UNIVERSITY OF SASKATCHEWAN ASSISTANT PROFESSOR

Applications are invited for a tenure-stream position at the assistant professor level in the area of molecular genetics.

Candidates should have a Ph.D. degree and, preferably, additional research experience in recombinant DNA techniques. Capability in the field of control of gene expression and gene transfer is essential. Preference may be given to candidates with a strong background in plant molecular biology.

The post will take effect on 1 July 1987, or earlier, if a suitable candidate is found. Send curriculum vitae and the names, addresses, and telephone numbers of at least three references to: Dr. John King, Department of Biology, University of Saskatchewan, Saskatoon, Saskatchewan, Canada, S7N 0W0.

The closing date is 31 December 1986, or thereafter until the position is filled.

University of California, Berkeley announces, pending budgetary approval, one or more appointments starting 1 July 1987 at the ASSISTANT PROFESSOR level for an **Old World prehistoric archaeologist** and a **North American archaeologist**. Applicants must have completed their Ph.D. dissertation. The deadline for receipt of all applications is 20 January 1987. *The University of California is an Equal Opportunity/Affirmative Action Employer.* Send a letter, curriculum vitae and the names of three referees to: William S. Simmons, Chair, Department of Anthropology, University of California, Berkeley, CA 94720.

University of California, Berkeley announces, pending budgetary approval, one or more appointments starting 1 July 1987 at the tenured level for an **OLD WORLD PREHISTORIC ARCHAEOLOGIST** and a **NORTH AMERICAN ARCHAEOLOGIST**. The deadline for receipt of all applications is 20 January 1987. *The University of California is an Equal Opportunity/Affirmative Action Employer.* Send a letter, curriculum vitae and the names of three referees to: William S. Simmons, Chair, Department of Anthropology, University of California, Berkeley, CA 94720.

The Department of Medical Microbiology, College of Veterinary Medicine, is accepting applications for a full-time teaching and research position at the level of ASSISTANT PROFESSOR. Candidates must have attained the Ph.D. and D.V.M. degrees and possess a strong background in recombinant DNA technology including gene cloning and expression as evidenced by a minimum of 2 years of postdoctoral experience in microbial or molecular genetics and recent publications that exhibit such expertise. The position requires teaching of microbiology to first-year veterinary students, as well as developing graduate courses in some aspect of molecular biology and advising graduate students. The research activities of the appointee should involve the molecular approach and be directed towards the study of infectious diseases in some area of veterinary medicine. The deadline for submission of applications is 15 February 1987. Interested candidates should send their curriculum vitae together with reprints of two recent publications, a brief summary of future research interests, and names of three references to: Dr. Solomon Kadis, Search Committee Chairperson, Department of Medical Microbiology, College of Veterinary Medicine, University of Georgia, Athens, Georgia 30602. *The University of Georgia is an Equal Opportunity Educator and Employer and specifically invites and encourages applications from women and minorities.*

The State University of New York (SUNY) at Purchase invites applications for a tenure-track position as ASSISTANT PROFESSOR IN BIOLOGY to begin 1 September 1987. Teaching duties will include animal physiology, human anatomy and physiology, vertebrate zoology, and/or histology. Ph.D. required. An active research program and the ability to engage and supervise undergraduates in baccalaureate thesis research are essential. Liberal fringe benefits, including TIAA/CREF. Send curriculum vitae and names of three references by 15 December to:

Biology Search Committee
SUNY Purchase
Purchase, NY 10577

An Affirmative Action/Equal Opportunity Employer.
