## POSITIONS OPEN

### NATIONAL LABORATORY OF GENOMICS FOR BIODIVERSITY Langebio - Mexico Call for Applications

**FACULTY POSITIONS** are available for outstanding young scientists at the National Laboratory of Genomics for Biodiversity (Langebio), a new research unit of the Centro de Investigación y de Estudios Avanzados del Instituto Politécnico Nacional (Cinvestav) in Mexico. We are particularly interested in hiring PIs with a quantitative background in the fields of computational biology, evolutionary biology, metabolic engineering, and cell biology, but will consider exceptional candidates in other fields. Access to Langebio's state-of-the-art genomic and metabolomic facilities will provide opportunities for collaborative and interdisciplinary research. Preference will be given to individuals with publications in high-impact journals and who have held a Ph.D. or equivalent for no more than six years.

Applications are due by April 15, 2009. Please submit curriculum vitae, a short outline of your scientific accomplishments and proposed research program (maximum of three pages), copies of three selected publications, and contact information of three colleagues who have agreed to write letters of recommendation for you. Recruitment is expected to initiate in May 2009, and selected applicants are expected to start joining the facilities in July 2009. Rank and salary are dependent upon qualifications. **Submit applications to: Alejandro Hernández (attention Dr. Luis Herrera-Estrella), Langebio-Cinvestav, Apartado Postal 629 C.P. 36821 Irapuato, Guanajuato, Mexico. Fax: 52-462-623-96-56; e-mail: [ahernandez@ira.cinvestav.mx](mailto:ahernandez@ira.cinvestav.mx).**

### POSTDOCTORAL FELLOW

Cleveland Clinic, Cleveland, Ohio, U.S.A.

Postdoctoral positions are available in the Angiogenesis Center and Taussig Cancer Center of the Cleveland Clinic. Highly motivated individuals are sought with a strong interest in vascular and angiogenesis research. Focus is on the mechanisms of blood vessel development, stem cell mobilization and recruitment into vasculature with emphasis on integrin and Akt kinase dependent signaling (Chen et al., *Nat. Med.* 11:1295-1298, 2005; Feng et al., *JCB*, 2008; Malinin et al., *Nat. Med.*, 15:313-315, 2009). Visit website: <http://www.lerner.ccf.org/moleccard/byzova/> for more information.

Successful applicants must have a Ph.D. degree in molecular/cellular biology, cancer biology, or a related biological science. We encourage and facilitate career development of postdoctoral researchers to independence. Interested individuals should send their curriculum vitae, a one-page statement of research interests, and at least three references to: **Lisa Plungas, Cleveland Clinic, 9500 Euclid Avenue, NB50, Cleveland, OH 44195. Fax: 216-445-8204; e-mail: [plungal@ccf.org](mailto:plungal@ccf.org).**

*Cleveland Clinic is an Equal Opportunity, Affirmative Action Employer. Members of underrepresented groups are strongly encouraged to apply.*

**RESEARCH ASSOCIATE**, cellular signaling experience required. Send resume to: **Dr. J. Letterio, Case Western Reserve University, Department of Pediatrics, 2103 Cornell Road, Wolstein Research Building, Room 3501, Cleveland, OH 44106. Must reference job code FF2009.**

## POSITIONS OPEN

### TENURE -TRACK FACULTY POSITIONS Department of Biochemistry and Molecular Biology Virginia Commonwealth University School of Medicine

As part of an ongoing major expansion in biomedical research at Virginia Commonwealth University Medical Center, we invite applications from outstanding individuals with expertise in any area of biochemistry and biomolecular sciences, particularly cellular and molecular signaling, cancer biology, lipidomics, gene regulation, genetics, and epigenetics. Candidates with Ph.D. or M.D.-Ph.D. will be considered at all ranks based upon qualifications and experience. Substantial start-up and salary packages are available for outstanding investigators.

VCU has a very active community of investigators and is committed to providing an outstanding research environment. More information about the School of Medicine and departments and this open position can be found at websites: <http://www.vcu.edu/biochem/departments/pos.shtml> and <http://www.pubinfo.vcu.edu/facjobs/>. Applicants should submit their curriculum vitae, names and e-mail addresses of three references, and a summary of research interests electronically to: **Dr. Sarah Spiegel and Dr. Paul Dent at e-mail: [biocrecruit@vcu.edu](mailto:biocrecruit@vcu.edu), Department of Biochemistry and Molecular Biology, Virginia Commonwealth University School of Medicine.**

*Virginia Commonwealth University is an Equal Opportunity/Affirmative Action Employer. Women, Persons with Disabilities, and Minorities are encouraged to apply.*

### DIRECTOR OF BIOLOGY TEACHING AND LEARNING University of Tennessee

The Division of Biology at the University of Tennessee seeks applicants for a tenure-track position to direct the freshman and sophomore core biology program and to lead the development and implementation of innovative teaching approaches in biology, beginning August 2009. Responsibilities of the Director include: (1) implementing ongoing curriculum evaluation and assessment, (2) research publications in biology teaching practices at the college level, (3) course design and administration in coordination with faculty, (4) training and supervision of instructional staff including development of teaching workshops, and (5) teaching in the biology core. The Director is expected to play a leadership role in obtaining outside funds for improved biology teaching. The successful candidate will have: (1) a Ph.D. in the biological sciences, (2) published scholarship in the area of biology education, (3) a demonstrated record of teaching excellence in biology courses, (4) success in procuring external grants (preferably federal grants) to support activities in biology education, and (5) experience with administration of biology courses (e.g., curriculum revision). Experience with graduate teaching, including the mentoring of graduate students, is highly desirable. Please see website: <http://www.bio.utk.edu/division> to find information about the Biology Division at the University of Tennessee. Review of applicants will begin immediately and continue until the position is filled. Please submit curriculum vitae, statement of teaching philosophy, interests, and experience, teaching evaluation summaries if available, and names with contact information of three references to **e-mail: [jcall1@utk.edu](mailto:jcall1@utk.edu).**

*The University of Tennessee is an Equal Employment Opportunity/Affirmative Action/Title VI/Title IX/Section 504/ADA/ADEA institution in the provision of its education and employment programs and services. All qualified applicants will receive equal consideration for employment without regard to race, color, national origin, religion, sex, pregnancy, marital status, sexual orientation, gender identity, age, physical or mental disability, or covered veteran status.*
