POSITIONS OPEN

MANAGING DIRECTOR Energy Frontier Research Center

The University of Notre Dame ([website: http://www.nd.edu](http://www.nd.edu)) is seeking a Managing Director for the Energy Frontier Research Center (EFRC) Materials Science of Actinides within the College of Engineering. The EFRC partners five universities and three national laboratories. The Managing Director will maintain continuous communication with the technical leads at each of these institutions to ensure that the program remains consistent with the proposed research plan. The Managing Director will facilitate communications between technical leads concerning new research findings and synergisms between the individual groups, and will be instrumental in strategic planning. Ph.D. required.

Please apply online at [website: http://ND.jobs](http://ND.jobs) to **Job #09204**. For additional information about working at the University of Notre Dame and various benefits available to employees, please visit [website: http://hr.nd.edu/employment/working_at_nd.shtml](http://hr.nd.edu/employment/working_at_nd.shtml).

The University of Notre Dame is an Equal Employment Opportunity/Affirmative Action Employer.

FACULTY POSITION, PHARMACOLOGY

The Division of Basic Pharmaceutical Sciences (DBPS) at Xavier University of Louisiana, College of Pharmacy invites applications for one 12-month, tenure-track position at the rank of **ASSISTANT** or **ASSOCIATE PROFESSOR**. Candidates for this position must have a Ph.D. degree in pharmacology or a closely related field. Preference will be given to candidates with previous teaching and ongoing research experience. The successful candidate will also be expected to establish a funded research program in his or her area of interest. Applicants should submit (i) a letter of intent; (ii) curriculum vitae; (iii) a statement of research interests; and (iv) the names and addresses (e-mail address and telephone number) of at least three references to: **Tarun K. Mandal, Ph.D., Chair, DBPS Faculty Search Committee, Xavier University College of Pharmacy, 1 Drexel Drive, New Orleans, LA 70125. E-mail: dbpsjob@xula.edu; telephone: 504-520-7650; fax: 504-520-7954.**

Xavier University of Louisiana is an Equal Opportunity Employer. Women, minorities, and persons with disabilities are encouraged to apply.

CAREER OPPORTUNITY

Doctor of Optometry (O.D.) degree in 27 months for Ph.D.s in science and M.D.s. Excellent career opportunities for O.D./Ph.D.s and O.D./M.D.s in research, education, industry, and clinical practice. This unique program starts in March 2009, and features small classes and 12 months devoted to clinical care.

Contact the **Admissions Office, telephone: 800-824-5526** at the **New England College of Optometry, 424 Beacon Street, Boston, MA 02115**. Additional information at [website: http://www.neco.edu](http://www.neco.edu), **e-mail: admissions@neco.edu**.

SHANTOU UNIVERSITY MEDICAL COLLEGE in Shantou, China, is launching nationally and internationally competitive research and teaching programs and has many openings for leading and up-and-coming scientists working at different disciplines and Pearl River Scholar in key disciplines. Selected candidates will be sufficiently supported with startup fund, relocation expenses, housing, and competitive salary packages. Please visit the [website: http://www.med.stu.edu.cn/zj.htm](http://www.med.stu.edu.cn/zj.htm) for more information. Interested candidates should send curriculum vitae to **e-mail: lqchen@stu.edu.cn**.

POSITIONS OPEN

ASSISTANT OR ASSOCIATE PROFESSOR Center of Excellence for Infectious Diseases

The newly created Center of Excellence for Infectious Diseases at the Paul L. Foster School of Medicine, Texas Tech University Health Sciences Center, El Paso, Texas, is seeking candidates for tenure-track faculty positions at Assistant or Associate Professor level. This is part of a state-funded initiative to enhance research in infectious diseases. The Center is primarily interested in investigators with research interests in molecular immunology, host-pathogen interactions, vaccine development, and animal models for translational studies.

Successful candidates are expected to develop and maintain independently funded research programs in infectious diseases or a related field. The position reports to the co-directors of the Center of Excellence for Infectious Diseases.

Minimum qualifications: M.D. or Ph.D. degree in a related field and at least three years of postdoctoral experience with a strong publication record.

Preferred qualifications: Candidates with funded grant support and experience in emerging infectious diseases and cutting edge technologies are particularly encouraged to apply.

The Center offers competitive salary and startup packages, newly constructed laboratory space, BSL-2 and BSL-3 laboratories, and a supportive interactive environment. Interested candidates must apply online at [website: http://jobs.texas-tech.edu](http://jobs.texas-tech.edu), **requisition #77147** by submitting curriculum vitae, a short write-up of research interests, and three letters of recommendation. For further information, please e-mail or contact:

Manjunath Swamy, M.D.

**E-mail: manjunath.swamy@ttuhsc.edu or
Premlata Shankar, M.D.**

**E-mail: premlata.shankar@ttuhsc.edu
Co-Directors of the Center of Excellence for
Infectious Diseases**

The positions are open until filled. Application review will begin immediately.

Texas Tech University Health Sciences Center is an Equal Opportunity/Affirmative Action Employer.

POSTDOCTORAL FELLOWS, M.D., Ph.D., D.D.S., OR M.D.-Ph.D.

The University of Alabama at Birmingham Center for Metabolic Bone Disease has three openings for Postdoctoral Fellows interested in hard tissue, bone biology, and related diseases. Fellows will be funded by an NIH T32 Institutional Training Grant which *requires recipients to be either U.S. citizens or permanent residents*. The UAB Comprehensive Bone Research Program has one of only six NIH P30 Research Core Centers focused on hard tissues and has a core research faculty of more than 50.

These full-time positions are available for up to three years with the current NIH stipend amount based on the awardees' experience and are available for training in basic, translational, or clinical investigations.

Submit an application to **Dr. Jay McDonald** consisting of: (1) a copy of your current curriculum vitae; (2) a one- to two-page statement of your research interests; and (3) the names of three references.

Applications will be accepted until all three positions are filled.

Jay M. McDonald, M.D.
