### ASSISTANT DEAN AND DEPARTMENT CHAIRPERSON

Department of Pharmaceutical Sciences  
Feik School of Pharmacy  
University of the Incarnate Word

The Feik School of Pharmacy at the University of the Incarnate Word has reopened the search and invites applications and nominations for the position Assistant Dean and Chairperson of the Department of Pharmaceutical Sciences. This is a tenure-track position available at the **ASSOCIATE** or **FULL PROFESSOR** level. The Department of Pharmaceutical Sciences currently has 10 faculty members with plans to grow to 12. The Department also includes a contingent of adjunct lecturers and research collaborators.

The successful candidate will provide leadership and vision for the Department while participating with the Dean in policy making, expansion, and governance of the School. The Chairperson will oversee faculty recruitment and retention, mentor and evaluate faculty, and assume a role in guiding the growth and development of the faculty.

The Chairperson will serve as an advocate for faculty, staff, and students, while helping to maintain an environment that embraces excellence in teaching, scholarship, and community service. The Chairperson is expected to interface with current institutional affiliates, help create new affiliations, and represent the School in local, state, and national organizations. Specific duties of the Chairperson include assigning teaching responsibilities, development of the departmental budget, teaching, engaging in service and scholarly activities, and serving on the School's executive committee.

The preferred candidate will have a terminal degree, at least five years of experience in the academia of pharmacy, a good record of scholarly activity, outstanding communication and interpersonal skills, evidence of management ability, an understanding of changing patterns in pharmacy education, and a commitment to diversity.

Nominations, inquiries, and letters of intent should be addressed to: **Arcelia Johnson-Fannin, Pharm.D, Dean, Feik School of Pharmacy (CPO #99), University of the Incarnate Word, 4301 Broadway, San Antonio, TX 78209.** To be considered for the position an electronic application must be completed at **website: <http://jobs.uiv.edu>**. The position will remain open until filled. However, review of applicants is expected to begin in early December 2009.

*University of the Incarnate Word is an Equal Opportunity Employer.*

### VERTEBRATE BIOLOGIST

The Department of Biological Sciences at the University of Arkansas solicits applications for a tenure-track **ASSISTANT PROFESSOR** in the field of integrative vertebrate biology. We seek an individual working in broadly defined areas such as physiology, morphology, genetics, or developmental biology. Successful candidates must have a Ph.D. and will be expected to establish an extramurally supported research program, supervise graduate and undergraduate research, and teach at the graduate and undergraduate levels. Review of completed applications will begin January 15, 2010, and will continue until the position is filled. Applications should include curriculum vitae, a statement of current and future research plans, teaching interests, and three letters of recommendation. Application materials should be sent electronically or by surface mail to: **Dr. Jeffrey Silberman, Search Committee Chair, Department of Biological Sciences, 601 SCEN, 1 University of Arkansas, Fayetteville, AR 72701. E-mail: [jeff@uark.edu](mailto:jeff@uark.edu); website: <http://biology.uark.edu>.** *The University of Arkansas is an Equal Opportunity/Affirmative Action Employer. Applicants must have proof of legal authority to work in the United States at the time of hire. All applicants are subject to public disclosure under the Arkansas Freedom of Information Act.*

### FACULTY POSITION IN C-H FUNCTIONALIZATION RESEARCH Department of Chemistry, Emory University

The Department of Chemistry has recently been awarded a National Science Foundation Phase I Center on C-H Functionalization and plans to expand its research capability in this area. Applicants are sought for an **ASSISTANT PROFESSOR** position with research interests that would complement the research activities of the current faculty. Applicants should have research plans related to C-H functionalization, broadly defined, and a proven record of research accomplishments in relevant areas of chemistry such as organic chemistry, (bio)inorganic chemistry, or computational chemistry. The applicant would be expected to establish an active, independent research program and to have a strong commitment to teaching at both the graduate and undergraduate levels. Please submit electronically a cover letter, curriculum vitae, a summary of research interests, specific research plans, and a teaching philosophy statement in a single PDF file to **e-mail: [chemistrysearch@emory.edu](mailto:chemistrysearch@emory.edu)**. Arrange for three letters of recommendation to be sent to the same address. A Ph.D. is required. Review of applications will begin December 21, 2009.

*Emory University is an Affirmative Action/Equal Opportunity Employer and welcomes applications from women and members of minority groups.*

### FACULTY POSITION

Massachusetts Institute of Technology  
Department of Materials Science and Engineering

The Department of Materials Science and Engineering seeks a candidate for a tenure-track faculty position to begin July 2010 or thereafter. Appointment would be at the **ASSISTANT** or untenured **ASSOCIATE PROFESSOR** level. In special cases, a senior faculty appointment may be possible. Faculty duties include teaching at the graduate and undergraduate levels, research, and supervision of student research. We will consider candidates with backgrounds and interests in materials science and engineering or a related field. Candidates should hold a Ph.D. in materials science and engineering or a related field by the beginning of the appointment period. The candidate should have demonstrated excellence in original research.

Interested candidates should submit application materials electronically at **website: <https://dmsefacsrch.mit.edu>**. Each application should include curriculum vitae, the names and addresses of three or more references, a statement of research interests, and a statement of teaching interests.
