The GE & Science Prize for Young Life Scientists. Because brilliant ideas build better realities.

Imagine standing on the podium at the Grand Hotel in Stockholm, making your acceptance speech for the GE & Science Prize for Young Life Scientists. Imagine having your essay read by your peers around the world. Imagine discussing your work in a seminar with other prize winners and Nobel Laureates. Imagine what you could do with the \$25,000 prize money. Now stop imagining. If you were awarded your Ph.D. in molecular biology in 2009, then submit your 1000-word essay by August 1, and you can make it reality.
