CMU  
CENTRAL MICHIGAN  
UNIVERSITY

## BASIC SCIENCE FACULTY MULTIPLE POSITIONS ASSISTANT/ASSOCIATE/FULL PROFESSOR

The Central Michigan University College of Medicine (CMED) seeks highly qualified faculty for multiple tenure-track and fixed term positions. Successful candidates will assume a role in the development and implementation of a highly integrated, cross disciplinary, clinical presentation and inquiry-based medical school curriculum.

Positions will be at Assistant/Associate/Full Professor rank, depending on credentials, and are available immediately. Start dates negotiable. Applications are being sought for teaching expertise in all disciplines of the basic sciences with immediate needs in Anatomy, Pharmacology, and Microbiology.

Requires doctoral degree, strong commitment to innovative approaches to education and learning, ability or commitment to facilitate interactive learning in large and small group settings, experience with independent design and conduct of research consistent with discipline(s). See [www.jobs.cmich.edu](http://www.jobs.cmich.edu) for complete list of qualifications, including requirements for advanced rank.

While all areas of research will be considered, collaborative opportunities in basic research exist in neuroscience, mitochondrial biology, and cancer vaccines. Additional desired areas of research include: education, comparative effectiveness, health services, and clinical trials and outcomes.

Established in 1892, CMU offers more than 200 academic programs at the undergraduate through doctoral levels, including several that are nationally recognized. CMU's College of Medicine will welcome its inaugural class in summer 2013. The innovative medical school curriculum is being designed to prepare students for practice in mid- to northern Michigan and the Upper Peninsula, with particular attention to primary care needs in the region. For more information, visit <http://www.cmich.edu/med>.

Review of applications begins immediately and continues until filled. **Applications must be submitted through an on-line process at: [www.jobs.cmich.edu](http://www.jobs.cmich.edu).** Electronically attach a letter of application, CV, evidence of teaching ability, statement of teaching philosophy, statement of research/scholarly interest, and a list of three professional references, including phone numbers & email addresses. Direct questions to Rebecca Messing, Search Committee Coordinator, [Spenc1r1@cmich.edu](mailto:Spenc1r1@cmich.edu), 989-774-7862.

CMU, an AA/EO Institution, strongly and actively strives to increase diversity within its community (see [www.cmich.edu/aaeo](http://www.cmich.edu/aaeo)).

REGIONAL CENTRE FOR BIOTECHNOLOGY  
an institution of education, training & research

(Established by Dept. of Biotechnology, Govt. of India under the auspices of UNESCO)

Corrigendum to Adv. No.1/12

### YOUNG VISITING SCIENTISTS AWARD

The Regional Centre for Biotechnology (RCB) invites applications for Young Visiting Scientists Award from the eligible candidates residing in the regional member countries of UNESCO (other than India). The Young Visiting Scientists Award will be initially for one year extendable for another year on merit basis.

The Regional Centre for Biotechnology (RCB) has been established by the Department of Biotechnology, Govt. of India under an agreement with UNESCO as its Category II Centre. It is designed to be a Centre of excellence in biotechnology with intimate contributions from the countries of the region and academic institutions from the rest of world. It provides a meeting place where innovation, enterprise and industrial development will germinate.

The objective of the Young Visiting Scientists Award is to identify and nurture outstanding young scientists with innovative ideas and desirous of pursuing research in frontier areas of biotechnology related but not limited to structural, systems and synthetic biology, nano science & technology, cellular and molecular biology, disease biology and data-intensive discovery research under the mentorship of senior faculty at the Regional Centre for Biotechnology. Young Scientists below the age of 35 having PhD degree in any discipline of natural science are eligible to apply. The candidates selected for the Young Visiting Scientists Award will be given one to and fro international fare, leased residential accommodation and medical coverage in addition to the Award of Rs. 40,000/- per month. The Awardee shall not be entitled to draw any other remuneration, fellowship or salary. They will have to obtain inter-governmental clearances and international passport and visa on their own. However necessary documents will be provided to them for the purpose.

Interested candidates may submit their applications in the prescribed format which can be downloaded from the website [www.rcb.res.in](http://www.rcb.res.in), to the **Registrar, Regional Centre for Biotechnology, 180, Udyog Vihar, Phase- I, Gurgaon-122016, Haryana (India)**. The date of submission of application has been extended up to **April 30, 2012**. A copy of the duly filled in application form should also be sent on the email ID [registrar@rcb.res.in](mailto:registrar@rcb.res.in).
