陕西师范大学
SHAANXI NORMAL UNIVERSITY

Professorships and Chair Professorships
at Shaanxi Normal University, China

陕西师范大学诚聘英才

Founded in 1944 and located in The World-Famous Historical City—Xi'an, Shaanxi Normal University (SNNU) is one of the key institutions of higher learning directly affiliated to Ministry of Education and "211 Project University" in China. The university is seeking individuals with outstanding scientific credentials for Recruitment Program of Global Experts, Thousand Young Talents Program, Chang Jiang Scholars Program, Bai Ren Scholars Plan of Shaanxi Province and Qu Jiang Scholars Program of Shaanxi Normal University, which are designed for the recruitment at the level of professors, associate professors and chair professors, etc.

Qualifications: Applicants are expected to have remarkable academic achievements and to demonstrate capacity in leading an academic team to keep a competitive edge in frontier areas. Successful candidates for the professorship will be expected to undertake full-time teaching and research in general, and those for the chair professorship to work part-time (two months minimum/year).

Applicants of "Thousand Young Talents Program" should be under the age of 40, have obtained a doctoral degree in a world-renowned university, and have no less than three years of post-doctoral research experience. Applicants, who have obtained a doctoral degree in Mainland of China, should have no less than five years of overseas research experience after obtaining a doctoral degree. Special offers are granted to those who have made distinguished research achievements in their doctoral studies or in other areas. Successful candidates for "Thousand Young Talents Program" will be expected to undertake full-time teaching and research at SNNU.

SNNU has a broad range of academic disciplines, positions are available in all the relevant areas below, Biology, Chemistry, Commercial Science, Communication, Computer Science and Technology, Economics, Education Science, Mathematics, Environmental Science and Engineering, History, Management, Materialogy, Physics, Psychology, Western Literature, etc.

Salary and Housing Allowances: The university provides state-of-the-art research facilities and strong supporting staffs. Internationally competitive start-up support, salary and benefits will be offered according to qualifications and experience. Successful candidates of the specially listed programs will receive supplementary remuneration, including newly renovated office and laboratory spaces, and a highly collegial and interactive environment, as well as assistance on the establishment of a delicate research team.

Application Documents: Applicants are expected to submit a CV with cover letter which is supported by such documents as photocopies of advanced degrees, and three recommendation letters among other things.

**You are welcome to click on the university website at <http://rsc.snnu.edu.cn/zhaopin.asp> for more information. Please direct your applications and inquiries to: Mrs. Wu Jinfeng or Mr. Yang Yuanzheng

Guangdong University of Technology (GDUT), Guangzhou, China,
Invites Applications and Nominations for

(1) Deans of Five Schools (2) "One-Hundred Talents" Chair Professors

Guangdong University of Technology, located in Guangzhou, a beautiful city in southern China, is a key multi-disciplinary university of Guangdong Province with a history of over 50 years. Having the advantage of bordering on Hong Kong and being benefited by Guangdong's prosperous economic development, the university's research and competitive power have been remarkably improved. In order to realize the aim of leap-forward development, GDUT continuously implements the high-level talents search programs, including the Deans of five different schools and "One-Hundred Talents" Chair Professors.

The "School Deans" Program

The university plans to invite scholars, experts and entrepreneurs who are competent to build world class schools to work as deans of the following schools of the university:

- | | |
|---|------------------------------------|
| (1) School of Electromechanical Engineering | (2) School of Automation |
| (3) School of Chemical Engineering and Light Industry | (4) School of Materials and Energy |
| (5) School of Physics and Optoelectronic Engineering | |

The "One-Hundred Talents" Program

The university plans to invite scholars, experts and entrepreneurs to work as Chair Professors of the university. The candidates of the two programs should have obtained doctorate degrees in related fields and meet at least one of the following criteria: (1) Working as full-time professors in world class universities or research institutes; (2) Working as technological leaders and having experiences in organizing world-class technological projects; (3) Having obtained associate professor titles and having all-round knowledge of related key technologies or working in urgently needed fields; (4) Having great potential for success in relevant academic fields (for outstanding young scholars); (5) Having obtained intellectual property rights and having all-round knowledge of core technologies in related fields; (6) Having international experiences in setting up businesses and having all-round knowledge of related areas and the related international rules; (7) Working at senior positions in world well-known enterprises.

For candidates who meet criteria (5), or (6), or (7), the university will work closely with the local enterprises to help fulfill the candidates' academic and business ambitions by facilitating their innovative academic activities on campus and helping realize their entrepreneurial ideas in the "High-tech Business Incubating Park" of the university.

We offer competitive compensation package and benefits for the qualified candidates. The annual compensation can be up to 1 million RMB; the startup R&D funding can be up to 10 million RMB. The laboratory space will be provided. We also provide qualified candidates with subsidy housing (approximate 100M² temporary apartment), and for those who want to buy an apartment in Guangzhou, the university can offer a housing allowance up to 800,000 RMB.

Interested and qualified individuals should provide a cover letter and a resume to:

Ms. Zhiying Zeng Email: gduyzzp@gdut.edu.cn Telephone: 86-20-39322509 Fax: 86-20-39322509

More information can be found at the university website: www.gdut.edu.cn
