

## AAAS is here – helping scientists achieve career success.

Every month, over 400,000 students and scientists visit ScienceCareers.org in search of the information, advice, and opportunities they need to take the next step in their careers.

A complete career resource, free to the public, *Science Careers* offers a suite of tools and services developed specifically for scientists. With hundreds of career development articles, webinars and downloadable booklets filled with practical advice, a community forum providing answers to career questions, and thousands of job listings in academia, government, and industry, *Science Careers* has helped countless individuals prepare themselves for successful careers.

As a AAAS member, your dues help AAAS make this service freely available to the scientific community. If you're not a member, join us. Together we can make a difference.

## University of Georgia Athletic Association Distinguished Professor in Biomedical Sciences

The Department of Pharmaceutical and Biomedical Sciences (<http://pbs.rx.uga.edu/>) in the College of Pharmacy at the University of Georgia in Athens is seeking a senior-level individual interested in contributing to the success of a multidisciplinary research program. This state-supported, endowed position at the rank of tenured professor offers a generous start-up package with substantial laboratory space in a newly-built, state-of-the-art research building. We seek an outstanding scholar with an internationally-recognized research program in the general areas of drug discovery, drug, gene or cell therapy, pharmaceuticals, cancer biology, neuroscience, pharmacogenetics, or immunology. The successful candidate is expected to have a PhD, MD, or equivalent and an established research program and strong funding.

Applications will be processed until the position is filled. Submit curriculum vitae, summary of research interests, and contact information for three references in a single Word or PDF document to [pbsearch@uga.edu](mailto:pbsearch@uga.edu). Please reference **position #66336**.

*The University of Georgia is an Equal Opportunity/Affirmative Action Employer.*

**WISCONSIN**  
UNIVERSITY OF WISCONSIN-MADISON

## Assistant Professor of Mycology in the Department of Plant Pathology

The Department of Plant Pathology invites applications for a tenure-track faculty position in mycology. We seek candidates whose research is at the cutting edge of any area in plant-associated mycology, including but not limited to the ecology, population biology, physiology, genetics, or genomics of fungi or oomycetes associated with vascular plants. The successful candidate will be expected to develop a vigorous extramurally funded research program, to participate in undergraduate and graduate teaching, and to perform service important to the university and profession.

Applications should be sent as a single PDF that includes a cover letter, a curriculum vitae documenting research and teaching experience, a research plan, and a statement of teaching philosophy and interests. Arrange to have electronic reference letters sent from three individuals directly to the search committee. All materials should be sent by email to **Amy Charkowski** at [acharkowski@wisc.edu](mailto:acharkowski@wisc.edu). To ensure full consideration application material must be received by **September 15, 2012**. Further application details are at [http://www.ohr.wisc.edu/pvl/pv\\_074084.html](http://www.ohr.wisc.edu/pvl/pv_074084.html)
