

Announcing our new partnership with NASA Federal Credit Union

Dear Member:

AAAS is committed to offering you member benefits that fit your needs and make your membership more valuable.

With that in mind AAAS is embarking on a new partnership with NASA Federal Credit Union that will provide you with access to a wide range of financial tools and products. Like AAAS, NASA Federal Credit Union is dedicated to serving the scientific community. This shared perspective is just one of the many reasons that we are embarking on this partnership.

As you may know, we have recently ended our banking relationship with Bank of America, but we're confident that our new partnership with NASA FCU will provide you with a superior banking experience. NASA FCU offers members better ways to save and smarter ways to borrow with friendly, professional service – along with anytime, anywhere account access.

Moreover, unlike other financial institutions that have public stockholders, NASA FCU is a not-for-profit financial cooperative where being a member means being an owner, too. And as a member/owner, you will enjoy unique benefits like: better loan rates, higher dividends and state-of-the-art products and services.

We'll be sending you more information about this great new benefit over the coming months. In the meantime, be sure to visit nasafcu.com/AAASpackage to apply for the new AAAS Platinum Advantage Rewards or Platinum Cash Rewards credit cards. You can also take a sneak peek at the AAAS Check Card and Checks coming soon.

Sincerely,
