Opening positions for full-time distinguished professors and lecturers

Shenzhen University (SZU) invites applications for full-time Distinguished Professor and lecturer positions for highly qualified candidates with special expertise in one of the following academic areas.

The University

The university is located in Shenzhen; a big city of over 8 million people in Southern China's Guangdong Province and directly adjacent to Hong Kong. Shenzhen is China's first Special Economic Zone, is well known for its economic, scientific and technological innovation, and is one of China's most advanced and prosperous cities. Shenzhen University was founded in 1983 and has been at the forefront and a central participant in the city's rapid development.

Shenzhen University consists of twenty-six colleges with a total enrollment over thirty-thousand undergraduate and graduate students. The university is highly committed to quality education and applied research across a number of fields important to the future development. We are aggressively seeking highly qualified international scholars to join us as we continue towards our mission of becoming a top-class research institution in China.
