ScienceCareers.org

THE CHINESE UNIVERSITY OF HONG KONG

Applications are invited for:-

School of Biomedical Sciences

Associate Professor(s) / Assistant Professor(s) (Non-clinical)

(Ref. 1314/129(665)/2) (Closing date: April 17, 2014)

The School, established in the Faculty of Medicine in June 2009, has the vision of becoming a world-recognized leader in selected fields of biomedical sciences while maintaining excellence in postgraduate and undergraduate education, with research programmes currently focusing on neuro-degeneration, cancer biology and inflammation, developmental biology, reproduction and endocrinology, vascular and metabolic biology and stem cell and regeneration.

Individuals who are strongly motivated by the biological importance of their research and who value the opportunity to work in close collaboration with basic and clinical scientists are welcome. Applicants should have (i) a PhD, MD or DVM degree or equivalent in biological and biomedical sciences or related disciplines; (ii) experience in using cutting-edge approaches such as bioinformatics, genomics, molecular genetics, stem cells, transgenic animal and imaging technologies; and (iii) a good track record of research and publications in international peer-reviewed scientific journals in one or more related areas. Those with expertise in human genetics, neurodegenerative diseases, stem cells biology, mammalian development and regeneration biology are particularly welcome.

Duties include (a) teaching undergraduate, postgraduate and general education courses; and (b) leading a vigorous independent research programme. Appointee(s) will be provided with appropriate laboratory and office space and a start-up package commensurate with qualifications and experience. Appointment(s) will normally be made on contract basis for up to three years initially commencing in the third quarter of 2014 or thereafter, which, subject to mutual agreement, may lead to longer-term appointment or substantiation later.

Salary and Fringe Benefits

Salary will be highly competitive, commensurate with qualifications and experience. The University offers a comprehensive fringe benefit package, including medical care, a contract-end gratuity for appointments of two years or longer, and housing benefits for eligible appointees. Further information about the University and the general terms of service for appointments is available at <http://www.per.cuhk.edu.hk>. The terms mentioned herein are for reference only and are subject to revision by the University.

Application Procedure

Please send full resume, together with copies of academic credentials, a publication list and/or abstracts of selected published papers, and names, addresses and fax numbers/e-mail addresses of three referees to whom the applicants' consent has been given for their providing references (unless otherwise specified), to the Personnel Office, The Chinese University of Hong Kong, Shatin, N.T., Hong Kong [fax: (852) 3943 1462] by the closing date. The Personal Information Collection Statement will be provided upon request. Please quote the reference number and mark 'Application – Confidential' on cover.

AAAS is here – helping scientists achieve career success.

Every month, over 400,000 students and scientists visit ScienceCareers.org in search of the information, advice, and opportunities they need to take the next step in their careers.

A complete career resource, free to the public, *Science* Careers offers a suite of tools and services developed specifically for scientists. With hundreds of career development articles, webinars and downloadable booklets filled with practical advice, a community forum providing answers to career questions, and thousands of job listings in academia, government, and industry, *Science* Careers has helped countless individuals prepare themselves for successful careers.

As a AAAS member, your dues help AAAS make this service freely available to the scientific community. If you're not a member, join us. Together we can make a difference.
