

Civilian casualties in Afghanistan

This graph shows the monthly tally of civilian casualties in Afghanistan caused by insurgents and coalition military forces (ISAF). It is based on data released by the U.K. Ministry of Defence for a study conducted by Neil Shortland of the Center for Terrorism and Security Studies at the University of Massachusetts, Lowell. The entire data set is available at <http://scim.ag/Afghandata>.

By Neil Shortland and John Bohannon

May 2009 ISAF airstrike in Granai

July 2009 General Stanley McChrystal, ISAF commander, declares the civilian population the "center of gravity" in Afghanistan

May 2011 Osama bin Laden killed by U.S. Special Forces raid
