## FACULTY POSITION: BIOCHEMISTRY/GENETICS

New York Institute of Technology-College of Osteopathic Medicine (NYIT-COM) seeks an **Assistant Professor** with teaching expertise in biochemistry/genetics in the Department of Biomedical Sciences. The area of research focus is open. The Department currently has active research in cardiovascular disease/heart failure, renal physiology and development, neuroscience, and microbiology. Successful candidates are expected to contribute to the medical school teaching effort and participate in an active research program. Collaboration with existing faculty research activities is strongly encouraged. The medical school provides strong institutional support for both teaching and research activities, including maintenance of core facilities, support for student workers, and access to IT resources.

The successful candidate will possess a Ph.D., D.O., M.D., or D.V.M. and 2+ years of post-doctoral research experience and demonstrated successful medical education/teaching experience. We offer institutionally-supported faculty salaries, an extremely competitive benefits package, and a professional environment designed to enhance career development. To apply, please e-mail cover letter and resume to: **Dr. A. Martin Gerdes, Chair of Biomedical Sciences** at [agerdes@nyit.edu](mailto:agerdes@nyit.edu). NYIT-COM, PO Box 8000 Northern Blvd, Old Westbury, NY 11568-8000.
