myIDP: A career plan
customized for you, by you.

There's only one **Science**.

Recommended by
leading professional
societies and the NIH

Features in myIDP include:

- Exercises to help you examine your skills, interests, and values.
- A list of 20 scientific career paths with a prediction of which ones best fit your skills and interests.
- A tool for setting strategic goals for the coming year, with optional reminders to keep you on track.
- Articles and resources to guide you through the process.
- Options to save materials online and print them for further review and discussion.
- A certificate of completion for users that finish myIDP and more.

JOB FOCUS: MICROBIOLOGY

IMMUNOLOGY FACULTY POSITION

The Department of Immunology and Microbiology in the Wayne State University School of Medicine seeks outstanding tenure track **ASSISTANT AND ASSOCIATE PROFESSOR** candidates who are pursuing fundamental immunological problems in areas that include inflammation-related disease, mucosal immunity, neuroimmunology, cancer immunobiology, and immunobiology and immunologic control of commensal and pathogenic microbes. Candidates will be expected to establish a high-impact extramurally funded research program, and to participate in teaching and service. A competitive start-up package commensurate with the candidate's experience and achievement will be provided.

For further information about this position, and to submit your application, please visit our online application site at website: <https://jobs.wayne.edu> (Posting 041955).

Wayne State University is an Affirmative Action/Equal Employment Opportunity Employer, and is committed to nondiscrimination and equal opportunity for all persons.
