# UCLA

Assistant Professor Position  
Department of Microbiology  
Immunology and Molecular Genetics  
UCLA David Geffen School of Medicine  
and UCLA College of Letters and Sciences

The Department of Microbiology, Immunology and Molecular Genetics (MIMG) seeks qualified applicants for a tenure-track Assistant Professor position. MIMG is an education and basic science research department and is fully integrated into both the College of Letters and Sciences and the David Geffen School of Medicine at UCLA. We are seeking an exceptional individual in the area of bacteriology, bacterial genetics, bacterial pathogenesis, host-bacterial interactions or microbiome research. A strong computational component to the research program is also welcome. Successful candidates will be expected to interact and collaborate with investigators in our institutional research focus areas including immunology, virology, parasitology and molecular genetics. Individuals with a history of mentoring individuals from underrepresented groups in the sciences are encouraged to include details in the cover letter.

The primary duties of the successful candidate will be to:

- Develop or maintain an extramurally funded research program
- Participate in teaching undergraduate, graduate and/or medical students
- Participate in service activities of the campus

Successful candidates should have a PhD, MD or MD/PhD degree, and at least three years postdoctoral training with a strong track record of publications. Evidence of ability to obtain research funding is strongly recommended. The successful applicant will hold a full-time academic appointment in MIMG at the Assistant Professor level. Salary is dependent upon rank, qualifications and experience. A highly competitive start-up package and compensation with comprehensive benefits are available for qualified candidates.

Please include the following items in your online submission:

- Cover letter addressing the candidate's strengths and qualifications listing the position number
- Curriculum vitae
- Statement of research interests/achievements
- Statement of Teaching interests achievements
- Statement of Contributions to Diversity
- Contact information for three references (preferably from three institutions)

All applications are to be submitted through UC Recruit (<https://recruit.apo.ucla.edu/apply/JPF03345>) Job number **JPF03345**.

Inquiries, but not application material should be directed to: **La Toya Watkins Assistant to Chair, Faculty Search Committee** [lwatkins@mednet.ucla.edu](mailto:lwatkins@mednet.ucla.edu); Department of Microbiology, Immunology and Molecular Genetics, University of California, Los Angeles 1602 Molecular Science Building, Box 951489 Los Angeles, CA 90095-1489.
