Eppendorf & Science Prize for Neurobiology

The annual Eppendorf & Science Prize for Neurobiology is an annual international prize which honors young scientists for their outstanding contributions to neurobiological research based on methods of molecular and cell biology. The winner and finalists are selected by a committee of independent scientists, chaired by *Science's* Senior Editor, Dr. Peter Stern. If you are 35 years of age or younger and doing great research, now is the time to apply for this prize.

As the Grand Prize Winner, you could be next to receive

- > Prize money of US\$25,000
- > Publication of your work in *Science*
- > Full support to attend the Prize Ceremony held in conjunction with the Annual Meeting of the Society for Neuroscience in the USA
- > 10-year AAAS membership and online subscription to *Science*
- > Complimentary products worth US\$1,000 from Eppendorf
- > An invitation to visit Eppendorf in Hamburg, Germany

It's easy to apply! Write a 1,000-word essay and tell the world about your work. Learn more at:
