BME Frontiers

 OPEN ACCESS

Biomedical Engineering (BME) Frontiers is a **Science Partner Journal** distributed by the **American Association for the Advancement of Science (AAAS)** in collaboration with the **Suzhou Institute of Biomedical Engineering and Technology, Chinese Academy of Sciences (SIBET CAS)**. *BME Frontiers* aims to serve as an effective platform for the multidisciplinary community of biomedical engineering. The journal will publish breakthrough research in the fields of pathogenic mechanisms as well as disease prevention, diagnosis, treatment, and assessment.

The Science Partner Journals (SPJ) program was established by the American Association for the Advancement of Science (AAAS), the nonprofit publisher of the *Science* family of journals. The SPJ program features high-quality, online-only, open access publications produced in collaboration with international research institutions, foundations, funders and societies. Through these collaborations, AAAS expands its efforts to communicate science broadly and for the benefit of all people by providing top-tier international research organizations with the technology, visibility and publishing expertise that AAAS is uniquely positioned to **offer as the world's largest general science membership society**.
