

**Postdoctoral Fellowship in Cardiovascular Research**

A postdoctoral research position is immediately available in the laboratory of James Stockand, PhD at the University of Texas Health Science Center at San Antonio. The position is funded at a competitive salary by the National Institutes of Health Grant **T32 HL007446**. Highly motivated early-career scientists interested in cardiovascular, cardiorenal and metabolism are encouraged to apply. Priority will be given to those with experience with electrophysiology. At the time of appointment, candidates must hold an advanced professional degree (e.g. MD or PhD), be a citizen or permanent resident of the USA, and no more than 4 years from graduation with their terminal degree. To apply, please send a curriculum vitae and cover letter, which includes a brief statement of interest and qualifications and the names of three professional referees, to Dr. Stockand at [Stockand@uthscsa.edu](mailto:Stockand@uthscsa.edu).

*All postdoctoral appointments are designated as security sensitive positions.*

*The University of Texas Health Science Center at San Antonio is an Equal Employment Opportunity/Affirmative Action Employer, including protected veterans and persons with disabilities.*
