The Department of History of Science, Technology and Medicine (DHSTM) at Peking University is currently inviting applications for multiple positions at the ranks of full professor with tenure, associate professor with tenure, assistant professor on tenure track, and post-doctoral fellow respectively. Given the department’s current engagement in the historical study of science in modern and contemporary China as well as related explorations based on big data, candidates with relevant experience are especially encouraged to apply.

Specific Qualification:
1. **Full Professor with tenure/ Associate Professor with tenure/ Assistant Professor on tenure track**
   Applicants should be highly influential scholars with significant publications in their own field and working experience in a top academic institution, either in China or overseas. Candidates should have rich teaching experience, extensive academic connections, as well as excellent peer review. Preferred candidates are those specializing in the twentieth-century history of science, technology, and Medicine (including both Chinese and Western) or in the philosophy of science.

2. **Postdoctoral Fellows**
   Applicants should have demonstrated outstanding academic potential as well as a doctorate in any of the following specialties: the history of science and technology, the philosophy of science, the STS (science, technology and society), science communication and Big Data research in the history of science, history, or sociology.
