 **SPJ**
SCIENCE PARTNER JOURNALS

Journal of Remote Sensing

The *Journal of Remote Sensing* is an online-only Open Access Science Partner Journal published in affiliation with **Aerospace Information Research Institute, Chinese Academy of Sciences (AIR-CAS)** and distributed by the **American Association for the Advancement of Science (AAAS)**. Like all partners participating in the Science Partner Journal program, the *Journal of Remote Sensing* is editorially independent from the *Science* family of journals and AIR-CAS is responsible for all content published in the journal. This journal covers multiple research areas that include theory, science, technology of remote sensing, and interdisciplinary research with earth science and information science. Particular topics of interest within the journal include radiative transfer modeling, biogeosciences remote sensing, remote sensing of energy, and more.

Submit your research to the *Journal of Remote Sensing* today!

The Science Partner Journal (SPJ) program was established by the American Association for the Advancement of Science (AAAS), the nonprofit publisher of the *Science* family of journals. The SPJ program features high-quality, online-only, Open Access publications produced in collaboration with international research institutions, foundations, funders and societies. Through these collaborations, AAAS furthers its mission to communicate science broadly and for the benefit of all people by providing top-tier international research organizations with the technology, visibility, and publishing expertise that AAAS is uniquely positioned to offer as the world's largest general science membership society.
