AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE

PRELIMINARY ANNOUNCEMENT OF THE FIRST SYRACUSE MEETING

Edited by Dr. CHARLES F. ROOS

PERMANENT SECRETARY

SEVENTEEN scientific organizations and most of the fifteen sections of the American Association will hold scientific sessions in Syracuse during the period from June 20 to June 25. This meeting, which will be the first meeting of the association in Syracuse, is expected to be remembered for important symposia and for the opportunities offered for excursions and field trips for geologists, botanists, zoologists, chemists, statisticians, physicians and others who may attend.

Syracuse University, which will be the host institution, is cooperating with the local chamber of commerce and other local institutions to make this meeting a successful one. A short article giving some interesting information concerning the host institution

and the Syracuse hotels appeared in SCIENCE for April 1.

LOCAL COMMITTEES FOR THE SYRACUSE MEETING

The following are the members of the local committees who are busy with plans for the summer meeting of the American Association for the Advancement of Science:

STEERING COMMITTEE

Honorary chairman, Chancellor Charles W. Flint, chancellor of Syracuse University.

General chairman, Dr. Hugh P. Baker, dean of the New York State College of Forestry.
