SPACE SAVING Laboratory Furniture by Kewaunee

Lincoln Science
Desk No. D-503

Laboratory classrooms of 10 years ago are today inefficient compared to the modern space-saving furniture now built by Kewaunee. If your school wishes to make science classes available to more students or to add another science course, perhaps the refurbishing of present rooms with Kewaunee space-saving furniture will make such plans possible.

Write for the Kewaunee Laboratory Furniture Catalog, or ask for the Kewaunee Engineer. He comes at no expense to you and gives reliable, expert advice.
